1. If the deposit amount is equal to 30.0 mln. AMD (or equivalent other currency) or more, the interest rates are determined on a contractual basis.
2. The Client doesn't have a right to add or impair the deposit amount throughout the duration of the deposit contract.
3. The Client has the right to withdraw the amount of deposit before the maturity of the deposit agreement. In this case the Bank performs the recalculation of the interest, pays the 0.5% p.a. interest rate as stipulated by the deposit agreement and deducts the interest amount already paid. If the annual interest rate set for the deposit is less than or equal to 0.5%, then the Bank performs the recalculation of the interest, pays 0.0% annual interest, as stipulated by the deposit agreement and deducts the interest amount already paid.
4. Other terms and conditions are regulated by a contract or an additional agreement.

5. The client has the right to receive loans secured by pledged deposit according to the terms defined by the Bank. If the client presents the application for receiving loan until 12 o'clock of the banking day, the loan is provided on the same day till the end of the operation day. If the client presents the application for receiving loan after 12 o'clock of the banking day, the loan is provided during the next banking day.
